January 20, 2009

SUBJECT: PRIMUS Sterilizer Customer Technical Service School

PRIMUS offers Technical Service School for customers. These classes will be structured for customers who wish to maintain their PRIMUS sterilizer. The following 2009 dates are scheduled for training:

February 23rd and 24th, 2009

June 1st and 2nd, 2009

September 14th and 15th, 2009

Training will be conducted in the Omaha facilities. All classes will start on Monday morning at 8:00 AM and will conclude at 4:00 PM each day.

Each class is taught by our Technical Specialists and will cover the following:

Day One: Steam and Basic Sterilization
 Boiler Operations
 PRIMUS Sterilizer - Plumbing, Electronics
 PRIMUS Controls and Lab

Day Two: Lab/Shop Time
 PRIMUS Controls and Lab

Classes will be on a first-come/first-serve basis with a maximum of twelve (12) people per class. PRIMUS' Customer Technical Service Schools are offered at a fee of \$1,200.00 per attendee. Cost covers the class and class materials, trainees are responsible for their airfare and accommodations while attending the school. PRIMUS has secured a special hotel rate and the hotel will provide transportation to and from the airport and will provide transportation each day to and from the hotel to PRIMUS' facilities.

To register for a PRIMUS Technical Service School contact Connie Mansfield, Mgr., Marketing Services at 402-344-4200 x1229 or via cmansfield@primus-sterilizer.com. Connie will provide you with the registration form, curriculum, and information on how to contact the hotel and confirm your dates for the training.
