March 16-18, 2004. Jacob K. Javits Convention Center, New York

Featured Event

A conversation with Dr. Janet Woodcock, Director, The Center for Drug Evaluation and Research (CDER)
"What to Expect from the FDA and How it will Impact Pharmaceutical Manufacturing"
Tuesday, March 16, 2004, 9:00am • FREE to all attendees, conferees and exhibitors!

The prescription for success in pharmaceuticals is INTERPHEX, the only place where the entire industry gathers under one roof! Join us at INTERPHEX2004™ for the most complete industry solutions, from discovery to market.

*It's our 25th anniversary!
Come to INTERPHEX2004 for your chance to win a new MINI Cooper.*

INTERPHEX covers the new technologies and new business realities that have changed the drug discovery, development and manufacturing process. For 25 years, it's been your resource for what's new, what's happening and what's changing!

Total industry coverage. See first-hand the latest developments in drug discovery

and development, outsourcing & contract services, and information technology, in addition to process manufacturing & packaging. Accredited short courses offer professional advancement, and the Career Expo, sponsored by HireHealth.com and BioSpace.com, can help further your own professional standing.

In-depth conferences & education. INTERPHEX is packed with valuable case-based presentations. Cutting-edge conferences focus on the

unique discovery, IT and processing needs of the pharmaceutical industry, with multi-track technical sessions focused on the latest trends.

Plan ahead. SABRE®, the #1 travel software provider, and Hotels.com® offer lowest available rates when you book your hotel, airline and car rental. Visit www.interphex.com and click Travel, or call the Travel Desk at 1.800.388.8108. Outside the U.S., call 1.312.527.7300.

Register now at www.interphex.com. For more information call 1.888.334.8704 or 1.203.840.5648.
